Dear Ed-Co Patron,

I am writing to you on behalf of the Ed-Co Athletic Booster Club. It is time for another sports year to start. We hope to have a great year again. There are many membership levels available to families and grandparents this year.

As in the past, our club has provided equipment and helped in purchasing uniforms and supplies for the many sports at Ed-Co. The coaches and athletes are very appreciative of this support. We, in turn, appreciate everyone who supports our efforts.

We are asking that you help us out by joining the Booster Club. For those of you who have been past supporters of this club, we thank you. Without your contributions, we wouldn't be able to help so many. There are many levels of participation for you to choose from. We offer name recognition on all sports programs for each of the different levels. We also offer a business membership level, if you would be interested in learning more about that please give me a call.

Diamond Club \$250
