

Ed-Co Text Alerts

This past year, the school experienced a situation at the Jr/Sr high that required us to send information to parents in a moment's notice. We did communicate with parents via email, but found that to be delayed for many people. It seems everyone has their phone on them and can get more timely updates via texts. We want to keep all students, parents and community members informed and we have found the perfect way to do just that!

ANYONE who is interested in getting text alerts for important information can sign up any time.

HS TEXT ALERTS: text @edcoh to **712-423-4018**. It's as simple as that!

ELEMENTARY TEXT ALERTS: text @edcoe to **712-423-4018**.

If, in time, you decide not to get the alerts, it is just as simple to remove your name from this service. A note of caution, this service will not be used exclusively to communicate with parents. It will be used, however, to relay important information for the safe and efficient operation of the school.

If you have questions, feel free to contact the school.
