Anyone who shall be a party in interest shall be bound by any and all decisions rendered herein.

4. Day

The term “days” as used in this Article and this Agreement, shall mean calendar days, except for Saturdays, Sundays, school district-observed legal holidays and school vacation days. Summer break is not considered “vacation days.”

Purpose

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems arising from this agreement, which may from time to time affect employees. Both parties agree these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

Procedure

- A. Every aggrieved person covered by this agreement shall have the right to present grievances in accordance with these procedures.
- B. A grievant may be represented at all pre-arbitration levels of the grievance procedure by himself/herself or, at his/her option by an Association representative(s) selected by the Association. If a grievant is not represented by the Association, the Association shall have the right to be present and to state its views at all stages of the grievance procedure.
- C. Class grievances involving more than one supervisor or grievances involving an administrator above the building level may be filed by the Association at Level II.
- D. The failure of an aggrieved person, persons and or the Association to act on any grievance within the described time limits will act as a bar to any further appeal and an administrator’s failure to give a decision within the time limits shall permit the grievant to proceed to the next step. The time limits may be extended by mutual agreement in writing.
- E. It is agreed that any investigation or other handling or processing of any grievance shall be conducted so as to result in no interference with or interruption whatsoever of the instructional program and related work activities of the grievant or classified staff.

Steps

Level One---Principal or immediate supervisor (informal)

Within ten (10) calendar days after the alleged violation, the aggrieved person shall first discuss the grievance with the person's principal or immediate supervisor.

Level Two-Principal (formal)

The written grievance shall state the nature of the grievance, specific contract clause violated and the remedy requested. The principal shall make a written response to the employee within five (5) calendar days after the grievance is formally filed.

With the written permission of the grievant, the principal shall submit a copy of the grievance and the response to the Association, on a form prescribed by the Association and approved by the Board.

Level Three-Superintendent

If the aggrieved person is not satisfied with the formal disposition in Step One and would like to proceed to the next step, that person shall file within five (5) calendar days after the receipt of the Level Two written response, the grievance in writing to the superintendent for consideration. The superintendent shall arrange for a conference with the grievant, which shall take place within five (5) calendar days of the superintendent's receipt of the grievance.

With the written permission of the grievant, the Association shall be allowed to participate in a representative capacity for the grievant. The Association shall have the right to include in the conference such witnesses and representatives as it deems necessary to develop facts pertinent to the grievance.

Upon conclusion of the conference, the superintendent shall make a written response within ten (10) calendar days.

Level Four---Arbitration

If the grievance is not satisfactorily resolved at Level Three, there shall be available a fourth step of impartial binding arbitration. The Association may submit, in writing, a request on behalf of the Association and the grievant to the superintendent within twenty (20) calendar days from the receipt of the Level Three answer to enter into such arbitration. The arbitration proceeding shall be conducted by an arbitrator to be selected by the two parties within seven (7) calendar days after said notice is given. If the two parties fail to reach agreement on an arbitrator within seven (7) calendar days, Iowa Public Employment Relations Board, will be requested to provide a panel of five (5) arbitrators. Each of the two parties will alternately strike one name from the panel until only one name shall remain.

The remaining name shall be the arbitrator. The decision of the arbitrator will be binding on the parties.

Expenses for the arbitrator's service shall be borne equally by the District and the Association.

The arbitrator's opinion shall not amend, modify, nullify, ignore or add to the provisions of the agreement. The arbitrator's authority shall be strictly limited to deciding only the issue or issues presented in hearing and/or in writing by the District and the Association. The decision must be based solely and only upon the arbitrator's interpretation of the meaning or application of the expressed relevant language of the Agreement.

1. Normal attrition resulting from employees retiring, resigning or through voluntary reduction.
2. Probationary employees in the job classification.
3. The remaining employees within the affected job classification by ability, qualification, and job performance, as determined by the administration.
4. If all said employees are considered to be equal, as determined by the administration, then the employee in the job classification with the least total seniority shall be the first to be laid off.

Employees who are laid off shall have one (1) year of recall to the category from which they were laid off. Recall shall be in reverse order of layoff.

- A. The employee who is to be recalled will be notified by certified mail (return receipt requested) to his/her last known address. The employee must respond by certified mail to such notice within five (5) days after receipt thereof and actually report to work in ten (10) days after receipt of notice unless mutually agreed to. In the event the employee fails to comply with the above, he/she shall be terminated and lose all recall rights under this Agreement.
- B. All employees on a layoff status shall retain the seniority and unused sick leave that they had when they were laid off. They will not continue to earn any benefits while on layoff.
- C. Definitions:

 2. The seniority of an employee is determined by the length of continuous service computed in years, months and days from the date of the beginning of his/her last continuous employment. If these dates are identical for any two (2) or more employees with the District, the seniority of the employee shall be determined by the start date of actual employment.

3. Seniority List

Employees shall be listed by the following classifications: bus drivers, bus mechanics, grounds keeper, custodians, secretaries, teacher aides and kitchen staff. Protests to, errors in or omissions from such list must be made to the District within thirty (30) days from the date of the posting of such lists and revisions thereof. - E. Each employee shall have the right to review and copy their evaluation file during regular office hours.

Article 10---Transfers

A. Transfers shall be determined as an assignment of employee to position within the same job classification.

B. Procedure

A vacancy shall be defined as those positions that will remain unfilled after the District exercises its right to realign and/or promote current employees. Realignment after a staff reduction is not a transfer. Transfers shall apply only to positions defined as vacancies.

When a vacancy has been posted and filled, the District will fill the resulting opening that occurs as a result of filling the vacancy. This will not be a transfer.

C. Posting of Job Vacancies or New Jobs

The District shall post a notice of each job vacancy or new job that occurs provided the vacancy is in a position that will be permanent in nature. The notice for permanent job openings will be posted on a designated bulletin board in each school building for five (5) days. Any employee can request a transfer to a job vacancy or opening within his/her job classification (bus driver; bus mechanics; grounds keepers; custodians; secretaries; and teacher aides; kitchen staff) by informing the District in writing within five (5) days of the notice posting.

The job shall be assigned to the most qualified employee who meets the educational needs of the District and has the qualifications and skills necessary to perform the work as defined by the District.

If two or more employees are deemed to be equal, as previously defined, the job shall be awarded to the employee having the greatest seniority within the District.

No employee shall be allowed more than one (1) job change in a six (6) month period unless approved by the District.

The employee shall be notified in writing if the employee's transfer request is denied.

D. Summer Vacancies

These notices shall be in writing and shall indicate the position(s) including the building assignment(s) to which the employee desires to transfer. The notice of interest shall include an address and telephone number where the employee can be notified of a posting. This special summer notice does not relieve the employee of the responsibility of filing a written transfer request within five (5) days of the mailing of the notice.

- F. See definition of Seniority: Article 8, Item C.

D. Bus Trips

Regular bus drivers who desire extra trips shall notify their immediate supervisor who will place their names on a roster based on seniority. Such roster will include (in order), the names of regularly employed bus drivers, substitute bus drivers and members of another bargaining unit within the school district. If a bus driver is next in line for an extra trip and refuses the offer, the opportunity will be given to the next name on the list. If the extra trip conflicts with the driver's regularly scheduled route, it shall be the driver's choice as to whether or not he/she will take the extra trip in lieu of the regularly scheduled route and if the District determines a suitable replacement is available. The driver shall be compensated for the route or the trip driven.

E. Break Time

The District will provide a ten (10) minute break for each employee that works more than three and one-half (3 1/2) hours.
