## 2017-2018 Membership Form

**“If you can’t be an athlete, be an athletic supporter!”**

Dear Ed-Co Supporter,

The Ed-Co Booster Club is asking for your help to support our student-athletes. Consider becoming a member of the booster club so we can continue to provide services, equipment, and opportunities to our teams and athletes.

“Participation in sports by children and adolescents is associated with a range of documented physical, emotional, social, educational, and other benefits that can last into adulthood. But increasingly, many young people opt out of a sustained experience, while others are locked out due to a lack of resources or access to community programs. Health and other needs go unmet.” –The Aspen Institute, Project Play
