

Dear Ed-Co Supporter,

We need your help! The Ed-Co Viking Booster Club recognizes that parents and friends of our school are the main components of a successful booster club. Please consider supporting your athletes and athletic program by joining and volunteering.

By doing so, you help build successful athletic programs. For those unfamiliar with the Ed-Co Viking Booster Club, its role is to promote and support all athletes and athletic programming through active member participation. Your volunteerism and funds raised from merchandise, concessions, and memberships are critical in the following efforts of our athletic department:

1. Improvements to athletic facilities
2. New equipment for teams and players
3. Costs associated with high school sports programs

With the help and support of many parents, friends of our school, businesses, and alums through their volunteer efforts and yearly membership dues, the Ed-Co Viking Booster Club purchased the following for the 2022-23 school year:

- Athletic banquet meals
- 2022-2023 uniforms
- HUDL video subscription
- Vault weight lifting software
- Share concession revenues with other Ed-Co teams and organizations
- Team supplies
- Treadmill for Ed-Co Weight Lifting Facility
- The list goes on and on...

We hope you will consider joining the Ed-Co Viking Booster Club. You will find attached the form for membership. Could you complete the form and submit a check/cash to either the elementary or high school office by the third week of August to be included in the program? Once your information is received and payment is made, you will be emailed with details regarding your membership. Should you have any questions regarding membership, please email ecvikingboosterclub@gmail.com.
