

Fall Musical

The Ed-Co Drama Department presented EMMA on Friday, Saturday and Sunday, Nov. 4th, 5th & 6th

Cast & Production Team

Ella Beyer - Welcoming Committee, Choreography, Publicity, Wardrobe
Lilee Boriskey - Welcoming Committee, Wardrobe
Riley Christen - Soundboard Assistant, Spotlight
Jasmine Dion-Cyr - Lightboard
Cecilia Dolan - Frankie Churchill
Dakota Hamann - Guy 2, Highbury Prep Student
Claire Hemann - HighBury Prep Student
Alexis Hickson - Soundboard Assistant
Ava Hoefler - HighBury Prep Student
Kassidy Krapfl - Emma Woodhouse
Lauren Kirby - Welcoming Committee, Publicity
Megan Lewis - Curtin, Sound Assistant
Mika McCool - Soundboard, Props
Alyson Meyer - Highbury Prep Student
Kayne Olind - Wedding Officiant, Highbury Prep Student
Ashleigh Pape - Jeff Knightley, Props
Sophia Pape - Miss Bates
Ben Pierschbacher - Guy 1, Highbury Prep Student
Megan Pierschbacher - Ashley, Choreography, Wardrobe, Props
Kaydee Rieck - Stage Manager
Liliana Riker - Lightboard, Wardrobe, Props
Roberto Rezende - Philip Elton
Emma Saddoris - Jane Fairfax
Abigail Schilling - Miss Taylor, Highbury Prep Student
William Schulte - Martin
Brady Thein - Mr. Weson, Highbury Prep Student
Tess Thomsen - Hair & Makeup, Backstage
Lynn Uhlenkamp - Highbury Prep Student
Brianna VanGroll - Harriet Smith, Publicity, Wardrobe, Props
Kendall Wittman - Highbury Prep Student
Annabelle Wulfekuhle - HighBury Prep Student
Reese Yest - HighBury Prep Student
Mr. Carston Calderwood-Director

Go Further Conference

Ed-Co students Megan Piersbacher, Brianna Van Groll, Kassidy Krapfl, Ashleigh Pape, and Sophia Pape traveled to Ames on Tuesday, November 1st for the Iowa State Go Further STEM Conference! These future women leaders experienced Science and Engineering.

State FBLA Conference

Ed-Co FBLA Members attending the State FBLA Conference on Nov. 13-14 in Des Moines were Claire Aulwes, Ellie Bockenstedt, Emma Lange, Reagan Stelken, Ava Kerns, Mika McCool, Megan Pierchbacher, Abby Bockenstedt, Cambell Kirby, Lauren Kirby, Emma Saddoris Lilee Boriskey, Lydia Hemann, McKenna Hoefler, Marcus Gaul, Dakota Hamann, William Schulte, Wade Struble

Careers in Technology

Amazing opportunity for these Ed-Co students Wednesday, Nov. 2 exploring Careers in Technology at the Waterloo Career Center for the Careers in Technology. Students attending were Mika McCool, Roberto Rezende, Sophia Pape, Lilee Boriskey, Lauren Kirby, Aiden Heims, Billy Hoffman, Chloe Everett, Campbell Kirby, Lydia Hemann, McCoy Olind

High School News

News from Mrs. Meyer

Yearbook News:

Did you know that Ed-Co is one of the few schools in the area that does detailed captions and stories in their yearbook? This is what makes our yearbook special. The 2022-2023 Yearbooks are on sale now for \$25 until 12/31/22. After that they increase to \$30. Orders can be made right through JMC or through edcoyearbook.com. Checks are also accepted through the office.

Art Workshop

Six students, Lauren Kirby, Campbell Kirby, Kaydee Rieck, Ashleigh

Pape, Lilee Boriskey, and Lydia Hemann attended an art workshop at Clark University on Friday, Nov. 18th.

They got to participate in a few different workshops as well as listen to a panel of previous graduates that shared what they are doing for jobs that relate to art. Lauren Kirby, Lilee Boriskey, and Addy Kirby all had artwork in the high school exhibition they held in conjunction with this workshop.

These girls love puzzles and were determined to finish it. With teamwork we completed it just time to head home.

News from Ms. Edens

The 7th and 8th grade students have been working hard to improve their writing skills in English this semester. In 8th grade English, we started the school year with an argumentative writing unit where students created a unique thesis statement and supported it with evidence from sources. The 8th graders just wrapped up their final project for our Native American Literature unit. Students learned how to use a digital platform called ThingLink and presented their project to their peers. Our last unit for the first semester is a creative writing project, which students are currently working on. So far, they have selected a picture of a landscape to write from and they are drafting a story to describe the setting of the picture.

In 7th grade English, we started the school year with a short story writing assignment. Students developed characters, events, and the setting throughout the writing process. They also spent a lot of time revising and making changes to their story, and it was rewarding to the students to see their writing improve during this project. The 7th graders are currently working on their editorial writing project, which includes research, citing sources, and creating an editorial to present the information. I've been impressed with how invested students are in the research process and how they are taking ownership of their projects to create the best editorial they can.

News from Ms. Wall

In English 10 we have just finished up reading Hamlet as part of our world literature focus for this class. It took us a little bit to get through Hamlet, but

Shakespeare can be tough for anyone, these kids handled it wonderfully though and engaged in all kinds of deeper level critical thinking. They have worked so hard on learning about characterization and the complex ways that characters are created and move a story. We did all kinds of interesting ways to put ourselves in the characters' shoes throughout the play. The students got creative in our class by making character playlists, considering what the characters' social media might look like, and even making connections if the characters had been students at Ed-Co today. The kids really enjoyed doing a recap before their test to help their peers study by acting out the highlights of the story. They made some really great performances to help each other remember what happened in the play.

The next unit we will be working on is a research writing unit that I plan to submit some student essays to the World Food Prize competition later in the spring. We are focusing on how to determine bias in sources and the news to help bring in even more real-world connection. This class will also review the importance of citing our sources and in the end will complete a 3-5 page research paper that includes both sides of the argument they are making.

The 11th graders are finishing up our Early American voices unit which included Native American stories, a look at the explorer's writings, the early settler's accounts, and some other historical documents. The students have finished the first portion of their overarching paper about what it means to be an American in literature. We are doing this paper in chunks as we go through each unit and add new ideas of what it means to be an American in the texts we read, as well as what it means to the students themselves. The students are now working on studying Gothic literature elements and will soon be doing some creative writing of their own Gothic inspired stories. I look forward to what this groups creative minds come up with.

All my classes are also working on critical thinking and making the real-world connections to what we are doing in the classroom. I am very excited for the rest of this semester and school year to learn along with these wonderful students!

Student of the Week

Ella Beyer- Nov. 6-13

By Chase Kirby, *Ed-Co Echoes*

Miss Edens picked Ella Beyer as Student of the Week. Ella is an 8th grade student in her English class. Miss Edens said, "She

stays engaged during class and frequently participates during whole group discussions. During small group discussions, she is a leader, and she guides her team to a better understanding of the content. Additionally, she often pushes herself to choose research topics that require critical thinking and more effort." Congratulations, Ella!

Wade Struble-Nov. 14-20

Dakota Hamann, *Ed-Co Echoes*

This week's Student of the Week was selected by Mr. Olind. Mr. Olind chose Wade Struble from High School P.E.

because "Wade comes with awesome effort and a positive mindset every day to class. He makes himself better and also everyone else around him in the PE classroom each day. Wade's effort and attitude has allowed his skills to grow and his performance to be at a high level in class." Congrats, Wade.

Emma Lange-Nov. 21-27

Roberto Rezende, *Ed-Co Echoes*

This week, Mr. Lutgen chose Emma Lange for the Student of the Week! She is a senior and is involved in FBLA, NHS, Large Group

Speech, Student Council, and Ed-Co Echoes. She has Government class with Mr. Lutgen and was chosen because "Emma because she is a young person who wants to do well in class. She brings joy to class each day and she has a curiosity for politics and wants to know why our government runs the way it does." Congrats, Emma!

Cael Helmrichs-Nov. 28-Dec. 4

Kierstin Hickson, *Ed-Co Echoes*

This week Mrs. Bergan picked Cael Helmrichs for Student of the Week; he is in her Clothing and Textiles class. Cael is a

freshman in high school and is involved in Cross Country, Basketball, Track, and FBLA. Mrs. Bergan picked Cael because he comes into class and gets his stuff done without having to be told. Mrs. Bergan says, "He is a very independent student, and he takes initiative and tries to learn things on his own without asking questions first." Cael tries to figure it out without going right to asking questions. Congratulations, Cael!

Elementary News

News from Mrs. Priem

Second graders have been BUSY, BUSY, BUSY! We are working on mastering our addition and subtraction facts by

practicing different strategies. In reading and writing, we are working on sequential words to read and write about a process. We are working on catching turkeys in our writings this month. Hopefully, we will have some excellent ones to submit to the Eastern Iowa Reading Council's writing contest in January. Social Studies has us learning about goods and services. In Science, we are finishing up our study of mealworms, which have successfully turned into darkling beetles, and milkweed bugs, which are growing each day. We finished our insect unit with a visit from Naturalist Abbey from Osbourne.

Our next unit of study will be on sand, pebbles, and silt. We are sad to see our bugs go, but excited for our next adventure in science. *Leader in Me* has us working on Beginning with the End in Mind and keeping those goals at the forefront of our learning. We are quickly making our way up the Super Improver. Wall by making smart choices and focusing on the target of learning. If you see a second grader, ask them what animal they have reached on the wall. During Daily Five, we have some groups working on chapter book studies which helps us focus on thinking about what we are reading to increase our comprehension. Other groups are also working on comprehension and decoding skills in the books they are reading in class. Skippy Jon Jones continues to go on home adventures with students who receive the Valuable Viking for excellent behaviors. His notebook is quickly filling up with photos and stories of the year. We hope everyone has a wonderful holiday season and remembers that it is in the giving that we receive. Pay it forward and do something that would make another person's day better. Thank you for all you do for our classroom. We are thankful, grateful, and blessed to have so many caring people in our lives. We too are working on paying it forward during our school day.

News from Mr. Beatty

November has been a busy month for 4th grade! Over the last few weeks, we have been working on learning a variety of strategies for two digit by two digit multiplication. This is leading us into our next

challenge of operations, learning how to divide! The students are very excited and look forward to learning division strategies. In reading, we have been reviewing comprehension skills and strategies, as well as applying what we read into our own writing.

In Social Studies, students have been exploring Iowa's economy and are investigating the sustainability of corn farming. This has been a really interesting topic that students have had a lot of prior knowledge to share. In Science they have been setting up experiments and chain reaction models to learn about energy and energy transfer. We look forward to wrapping up 2022 with lots of fun and learning in 4th grade!

News from Mrs. Streicher

We have been very busy in preschool so far this year!!!

We can't believe we're halfway through November already!!! We have been doing a lot of activities about turkeys and Thanksgiving!!! I am going to talk to my preschoolers next week about what they are thankful for this coming Thanksgiving!!!

Our preschool curriculums haven't changed. I continue to work with the children on social skills by following the "Mediated Strategies." The strategy that we are working on at this time is getting a friend's attention or my attention.

We love having visitors, so anytime you would love to come and check out what preschool is all about, please come on in!!!

First Grade News from Mrs. Allen & Mrs. Tegeler

Where did November go? Our school weeks have been exciting! We learned about

the life cycle of a butterfly. We also know the different types of light and discovered transparent, translucent, and opaque items.

We have learned about nouns. We can name lots of fall nouns using person, place, thing, and animals. We also know what an adjective is and use those words to describe characters. Story writing is beginning to be fun as we share our thoughts and illustrations. We are getting good at retelling a story using sequencing words. We published our first real book through Student Treasures.

We are practicing addition and subtraction using different strategies such as counting on, using our number line, and taking items away. We are learning doubles facts, doubles + 1 facts, and sums of 10.

We wrote letters to veterans. We are so appreciative of those who have served our country! Thanksgiving was exciting as we had our own feast and shared food with friends. We have many things to be thankful for! Happy Thanksgiving from First Grade!!

News from Mrs. Waid

Students in 5th grade have been exploring historical fiction. They recently participated in reader's theater

performances for other classes and were an audience for some 6th graders Reader's Theaters.

In writing, students have produced personal narratives, creative writing stories, and a Thanksgiving themed opinion piece. In December, students will write persuasive letters.

Our upcoming Social Studies unit explores the many ways laws have changed throughout history. Students will analyze primary sources to best understand the time period we will study.

News from Mr. Fankhauser

I can't believe it's already December! The school year is flying by. Lots of great things are happening in Elementary

Physical Education. Students are coming to class every day prepared to be safe, respectful and responsible. The primary (K-2nd) students are working hard on their locomotor skills, kicking, throwing/catching and volleying. It has been great to see their growth.

At the intermediate (3rd-6th level we have been working on kicking, throwing/catching, volleying, and learning different ways to be active. The activities we do in class are geared towards helping the students develop physical literacy. Physical Literacy is defined as the ability to move with confidence and competence in a wide variety of physical activities in multiple environments. We are off to a great start. Ed-Co Elementary students are well on their way to becoming lifelong movers. Check in with your student and ask them what they learned in PE today!

Viking of the Week

Violet Genthe- Nov. 6-13

Mika McCool, *Ed-Co Echoes*

This week, Mrs. Priem chose 2nd grader Violet Genthe as Viking of the Week.

Violet's family consists of her mom, Amanda; sister, Cassidy; and pets, Bella, Lacey, Jinx, Hades, Django, Arthur, and Lemon. Her hobbies are playing with dolls, doing crafts, and playing outside. Violet's favorite thing about school is reading. At school, Violet helps others by being a positive role model and trying her best on difficult tasks. When Violet found out she was Viking of the Week, she was happy and excited! Congratulations, Violet!

Isabella Perrinjaquet-Nov. 14-20

Mika McCool, *Ed-Co Echoes*

This week, Mr. Beatty chose Viking of the Week. He chose 4th grader Isabella

Perrinjaquet. Isabella's family consists of her parents, Rob and Tiffany; sister, Bria; and their dog, Marley. Her hobbies are playing sports, hanging out with her cousins, and having family movie night. In school, she enjoys science, recess, and lunch. At school, she helps others by assisting them if needed and brightening their mood. When Isabella found out she was chosen, she was shocked and happy! Congrats, Isabella!

Jake Meyer-Nov. 21-27

Mika McCool, *Ed-Co Echoes*

This week, Miss Huber chose 2nd grader Jake Meyer as Viking of the Week. Jake's family consists of his mom, Andrea; dad,

Eric; sisters, Alyssa and Morgan; dogs, Bella and Bear; and their cat, Molly. His hobbies are playing with his dogs, farming, and climbing trees. Jake's favorite class is math. In school, Jake helps others with their seesaws and is a great friend to all. When Jake learned he was Viking of the Week, he was happy! Congratulations, Jake!

Rory Kulper-Nov. 28-Dec. 4

Ella Beyer, *Ed-Co Echoes*

Rory Kulper is the Viking of the Week. She is in Mrs. Kruse's 4th grade class. Rory's family consists of her mom, Carissa; her dad, Tony; and her two siblings, Lyle and Letty. She has three dogs, Diesel, Bella, and Chubby. Rory's hobbies and interests include volleyball, softball, soccer, and playing with her dogs, sister, and brother. Her favorite thing about school is being with her teachers

and friends because they help Rory learn and are nice. She helps others at school by making sure they understand a problem, not just giving them the answer. She was excited when she was chosen for Viking of the Week! Congratulations, Rory!

District News

News from Superintendent Busch

Merry Christmas and Happy New Year! I can't believe it is that time of year already. Where does the time go? I hope you were able to enjoy time with family

and had a great Thanksgiving.

The school district received great news in late October. Both the elementary and secondary were ranked "Commendable" in the last ranking on the Iowa School Profiles. This rating combines Iowa Assessments and the Iowa Conditions of Learning Survey. More information is available at www.iaschoolperformance.gov. Congratulations students, families, and staff.

Most of you won't consider giving over the keys to a car to your children without some type of training. Have you considered how much training your kids have received before giving them cell phones? Matt Carver's, School Administrators of Iowa's Legal Services Director, November newsletter was titled, "2 Topics lighting up the Legal Hotline." One of these topics was sexting. Matt received no fewer than four calls in one day on the issues. The sad note is that many of the calls are from elementary principals. Please have a discussion with your children about the proper use of cell phones.

Retirement/change is in the air for me. I will finish my 10th year as the superintendent for the Edgewood-Colesburg Schools and my 33rd in education at the end of the 2022-23 school year. The original plan was to retire from Iowa after reaching the Rule of 88 and head to another state. With the arrival of my first granddaughter, the plan changed. My wife and I would like to stay in northeast Iowa. I can't thank you enough for allowing me to work with your children and all the support you have given me over the past few years.

As always, I ask that you please become involved with the educational opportunities for our young people and assist us in making Edgewood-Colesburg the best school in the State of Iowa. I thank you for taking the time to read these articles as we proceed

through a very exciting 2022-2023 school year. If you have ideas for improvement or areas of concern, please contact me by phone at 928-6411 or e-mail at rbusch@edge-cole.k12.ia.us.

[Rob Busch](#)

Edgewood-Colesburg Community School Emergency School Closure Process

As the winter weather season gets ready to begin, Edgewood-Colesburg Community Schools will continue to evaluate the process it uses to decide when to close schools due to bad weather and how to best alert parents and students about the closure.

The district is aware of the implications of emergency school closures. We realize when schools shut down parents must make alternative plans, bus and food services must be altered, class and test schedules must change, and events must be canceled. We also feel strongly that our students' education can best be served when they are in class; however, safety is our number one priority. We will always do what is best to safeguard the well-being of our students and staff, but sometimes closing schools is not the obvious choice. The school district covers almost the width of an entire county. There have been times when the weather has changed, road conditions have deteriorated, or a storm has stalled over the area that a last-minute decision has been made to close. These late decisions are made to protect our students and staff. There are many factors that are considered.

The images of our bus drivers on slippery roads, of young children standing at frozen bus stops, and teens, or their parents, driving in hazardous conditions is always present when the decision is made to close schools. Once the decision is made, the Edgewood-Colesburg Community Schools must disseminate the message quickly to the media, staff, and parents.

You can obtain school closings, late starts, early outs, and cancellations at the following locations:
Text messages are available via Remind, sign up at <https://www.remind.com/join/bk6c2f3>
Edgewood-Colesburg Community School Web Site at www.edge-cole.k12.ia.us

KCTN- 100.1 FM Radio KMCH- 94.7 FM Radio
KCRG-TV 9 KGAN-TV 2 KWWL-TV 7

*Some stations get the information on faster than others. The best advice is to listen to more than one so our information is not overlooked.

Since parents are the primary protectors, they will need to decide what is best for their children regardless of any decision by the school district. The option to keep children home when weather conditions are extreme is always at the parents' discretion and the school understands and respects the decision. Parents can contact the school and arrange for an excused student absence. All families should make advanced arrangement for their children in case of school closures and for the rare situation when it is necessary to close school because of a power failure or another circumstance. Children should know where to go if a parent will not be home and how to contact parents and guardians. Make sure your parent contact information, including work telephone numbers, are kept up to date with the school.

During cold weather you should always make sure your child is dressed appropriately. Bulky coats and boots can be stored in classrooms, or other areas designated by the principal in addition to student lockers so don't be afraid to bundle them up. Working together we can ensure the safety of the Edgewood-Colesburg Community Schools during the hazardous weather season.

Public Education Needs You!

It is more important than ever to make sure your voice is heard in the political arena. The funding for public education has recently been at historic lows. The needs of students attending these public schools have been increasing! The need for advocacy on behalf of Iowa public schools has never been greater.

If you want to impact legislation, you can do that by becoming an advocate for your school. Take a few minutes to contact our new legislators in the Iowa House and Senate, tell them you are a voter and you support equitable funding for rural schools! You can

find your legislators and their contact information at www.legis.iowa.gov/legislators/find. I would also encourage you to contact Governor Reynold's office by calling 515-281-5211 or leaving an email message here <https://governor.iowa.gov/contact>.

If you would like to learn more about issues facing rural schools and the Edgewood-Colesburg School District, more information is available through the Rural School Advocates of Iowa (<https://www.rsaia.org/2022-legislative-session.html>) and the Iowa Association of School Boards (www.ia-sb.org).

Please give Rob Busch a call at 928-6411 if interested in being part of an advocacy team.
Your Partner in Education,
Rob Busch

“Skip the Trip” program offered at Edgewood-Colesburg CSD

“Skip the Trip,” is a program from the Iowa Department of Transportation that allows students to take the permit test, non-commercial driver's knowledge test, online. The Iowa DOT has approved educational sites to administer the test using an electronic device, which saves parents time away from work and students' time away from school. If a student does not pass the first time, they can take it again 24 hours later and skip the multiple trips to the courthouse.

Secondary Principal, Dawn Voss, is certified to administer the test at Ed-Co. After the test is completed, the student will receive an email with the test results. Once the student has passed the test, the parent and student will need to visit a DOT service center or county treasurer's office to get their instructional permit.

For more information on "Skip the Trip" visit <https://iowadot.gov/mvd/driverslicense/skip-the-trip>

If you would like to take your permit test and “Skip the Trip”, please contact the secondary office at 563-928-6412

COURTESY AT EXTRA-CURRICULAR EVENTS

We are looking forward to excellent extra-curricular events at Edgewood-Colesburg. We share the responsibility for appropriate behavior at the activities. For the safety of all spectators and support of the participants, the following are Ed-Co's expectations.

1. Be respectful and quiet during the national anthem. Hold your right hand over your heart.
2. Watch the game.
3. Visit with your friends.
4. Demonstrate good sportsmanship, be respectful and courteous to others; Support the teams, cheer and clap.
5. Be a positive credit to your family, school and community.
6. Leave your seat only between quarters, at half time and between games.

Annual Notice of Non-Discrimination Policy

The Edgewood-Colesburg School District offers career and technical programs in the following service areas:

Program offerings and areas of study are defined as the six service areas:

- Agricultural, Food, and Natural Resources
- Business, Finance, Marketing, and Management
- Health Science
- Human Services

It is the policy of the Edgewood-Colesburg Community School District not to discriminate on the basis of race, color, national origin, sex, disability, religion, creed, age (for employment), marital status (for programs), sexual orientation, gender identity and socioeconomic status (for programs) in its educational programs and its employment practices. There is a grievance procedure for processing complaints of discrimination. If you have questions or a grievance related to this policy please contact the district's Equity Coordinator, Karla Trenkamp, District Equity Coordinator, Ed-Co Elementary, 409 East Street, Colesburg, IA, (563)856-2415, ktrenkamp@edge-cole.k12.ia.us
