SUPERINTENDENT EVALUATION Code No. 302.5

The board will conduct an ongoing evaluation of the superintendent's skills, abilities, and competence. At a minimum, the board will formally evaluate the superintendent on an annual basis, with comprehensive evaluation to occur at least once every three years. The goal of the superintendent's formal evaluation is to ensure the education program for the students is carried out, promote growth in effective administrative leadership, clarify the superintendent's role, clarify the immediate priorities of the board, and develop a working relationship between the board and the superintendent, and to ensure the superintendent's competence in meeting the Iowa Standards for School Leaders.

The formal evaluation will be based upon the following principles:

- The evaluation criteria will be in writing, clearly stated and mutually agreed upon by the board and the superintendent. The criteria will be related to the job description and the school district's goals, and the Iowa Standards for School Leaders.
- At a minimum, the evaluation process will be conducted annually at a time agreed upon;
- Each board member will have an opportunity to individually evaluate the superintendent, and these individual evaluations will be compiled into an overall evaluation by the entire board;
- The superintendent will conduct a self-evaluation prior to discussing the board's evaluation, and the board as a whole will discuss its evaluation with the superintendent;
- The board may discuss its evaluation of the superintendent in closed session upon a request from the superintendent and if the board determines its discussion in open session will needlessly and irreparably injure the superintendent's reputation; and,
- The individual evaluation by each board member, if individual board members so desire, will not be reviewed by the superintendent. Board members are encouraged to communicate their criticisms and concerns to the superintendent in the closed session. The board president will develop a written summary of the individual evaluations, including both the strengths and the weaknesses of the superintendent, and place it in the superintendent's personnel file to be incorporated into the next cycle of evaluations.
- Progress made on the goals of the superintendent's professional development plan.

This policy supports and does not preclude the ongoing, informal evaluation of the superintendent's skills, abilities and competence.
