FUND-RAISING ACTIVITIES IN THE SCHOOL

Code No. 910.1

No activity requiring students and teachers to assist in promoting campaigns (financial, educational, charitable, or otherwise) that demand the time of students, teachers, and administrators shall be permitted, except as hereinafter provided, unless such campaigns are in accord with the general policies of the Board.

No agent, person, or persons shall be permitted to solicit any student or teacher for any purpose, or distribute circulars, handbills, cards, or advertisements of any kind, or make announcements on any nature, or take up contributions in any school building or on school grounds, for any purpose whatsoever, except by approval from the Superintendent of Schools as being in accord with the general policies of the Board of Directors.

Participation by students in charitable activities is considered to be a desirable part of their total education. However, as a matter of basic policy, the Board of Directors will authorize the administration to determine the nature and extent of such activity.
