School Bus Driver Physical Examination
Code No. 411.9.1

All bus drivers are required to have a physical examination every two years. Examination forms shall be provided in May for the following school year. Cost of said examination, provided that it is done by our local physicians (Edgewood) will be paid in full by the School District. Drivers that prefer to use another physician will pay for his/her own examination and will be reimbursed up to the amount that the local physicians normally charge. A copy of the bill must be presented before reimbursement is made to employee.
