Bob Schilling - Class of 1993

Written by Addy Kirby

Bob Schilling graduated in the class of 1993. Following graduation, Bob attended Iowa State University majoring in Ag Sales. He currently resides in Colesburg with his family. Bob's favorite part about Ed-Co was the small town atmosphere. He liked knowing everyone in his grade as well as the grades above and below. Mr. Millis influenced him the most in class. The advice he would give to current high school graduates is, "If you don't know exactly what you want to do, don't worry about it. Get a well rounded education whether that's high school or college. Take a variety of classes and live up to your potential. Employers will be able to see who cares and who doesn't. Give 100%. Don't be afraid to change majors, employers, or careers. Take control of your destiny." Bob Schilling is a Viking for life!
