Brienne (Burgett) Eastwood - Class of 1997

Written by Addy Kirby

Brienne Burgett, now Brienne Eastwood, graduated in the class of 1997. Following high school she went to college and now works in Human Resources. Brienne got where she is today knowing that she wanted to stay close to home and that she wanted to work with people. Her favorite parts about Ed-Co were seeing her friends every day, going to football games, and dances. When asked what advice she would give to current high school graduates she replied, "Don't be afraid to change career paths if you aren't happy." Go Vikings!
