Eric Conner - Class of 2010

Written by Addy Kirby

Eric Conner found his passion for teaching after being influenced by his teachers on a daily basis. Eric graduated in the class of 2010. Following graduation, he attended Hawkeye Community College for two years and then transferred to UNI to complete his Bachelors Degree in Physical Education. Eric currently resides in Edgewood. He loves the community as well as being close to family and friends in the area. His favorite part about Ed-Co was, "the teachers being so friendly and willing to help you out in any way was something I will always remember." When asked what advice he would give to current high school students he commented, "Get involved and don't be afraid to fail in anything that you do." Eric is impacting lives in and beyond the classroom. He is a Viking for life!
