Kathy Grubb, now Kathy Hunt, graduated in the class of 1991. Following graduation, she went to a four-year college and graduated with her Bachelor's degree in elementary education. She resides in Zion, Illinois, and is an art teacher. When asked what her favorite thing about Ed-Co was she replied, "My favorite part of Ed-Co was being able to play sports, be in the band and choir, speech, drama, etc. I was able to participate in everything I wanted to be involved in." Her advice is to, "Chase your dreams and do not ever let someone tell you that you cannot succeed." Kathy has the determination and is doing things the Viking Way. She is a Viking for Life!
