Kevin Hogan - Class of 1990

Written by Addy Kirby

A state tournament wrestler, Kevin Hogan graduated from Edgewood-Colesburg in 1990. Kevin is the owner of Heavy Highway Construction and currently resides in Dyersville with his family. Being close to his family is the main factor that made Kevin decide to stay close to home. Kevin started working in the construction industry during summer vacation when he was in college. When asked what his favorite part about Ed-Co he stated, "Knowing almost everyone in both communities and them knowing me also." Kevin's advice to current high school students and graduates is to ask questions, have relentless effort, and do not worry about your mistakes. Kevin Hogan is currently taking what he learned on the Ed-Co wrestling mat and using it to his advantage every day. Hard work pays off, go Vikings!
