Written by Addy Kirby

Kim Cook graduated in the class of 1981. Following graduation, she got married, went to work, and raised a family. Today she is an administrative assistant and resides in Cuba City, Wisconsin. Her favorite part about Ed-Co was cheerleading and her friends. Kim commented that she has “Amazing memories at Ed-Co!” Her advice is, “Don’t blink! I had my 40th reunion last fall. These are the best years of your life.” Kim is another Viking doing great things. She is a Viking for Life!
